

Coin::Coin

```
graph LR; A[Coin::Coin] --> B[Coin::setupCoin]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'Coin::Coin'. The right box is gray with a black border and contains the text 'Coin::setupCoin'. A blue arrow points from the right side of the left box to the left side of the right box.

Coin::setupCoin
